Our November WORK DAY is scheduled for SATURDAY, NOV. 17 at 12 noon the day before our invitational. Need to get the range ready for our guest shooters the following day.

A committee is set up to take care of the 21 or Bust Shoot on Nov. 18. We have people for registration, raffle prizes, raffle table set up, food concession, targets made up and will be ready to shoot. Lots of time and planning has to go in to having this tournament, so we are asking for any extra help we can get from our members. We'll contact our new members and hopefully get them interested in joining us. We have a raffle table set up so we are advising our club members that if they have something they would like to donate or know of someone who would like to donate please bring to the range.

The secretary is making a list of people volunteering to do different jobs, so if anyone is interested in helping they should contact the secretary.

Mike Burnham advised us that he has set up a class "Introduction to Compound Bows" beginning on May 13 at 11:30 a.m. Anyone interested get in touch with Mike.

It was brought up about having a phone number printed on the back of the membership cards in case anyone got locked in or needed to speak to an officer of the club.. After some discussion it was decided to put up signs indicating a number to call.
